PREREQUISITES

1. Analyze the previous year papers.
2. Periodic revision is a must.
3. Do not attempt tests without preparation.
4. Before taking the actual exam, you need to get comfortable with computers.

WHAT ASPIRANTS SHOULD DO?

- Multiple revisions before each mock:
  - 1st revision goal: understanding the issue
  - 2nd revision goal: understanding inter connected issues (even if they can't be
  - memorised, no worries, take it step by step)
  - 3rd revision goal: memorization
  - 4th revision: very precise and specific recall, as per the need of questions being asked.
  - 5th revision: precise inter connected recall as per the required cocktail in a GIVEN
  - QUESTION, as per its language/tone and tenor.
- After giving each mock:
  - Do SWOT analysis: work on the weaknesses
  - Pick up the test paper, attempt it and read all the solutions, highlighting the important
  - ones. This will help you in memorizing the content as well as condition you to attempt
  - appropriate number of questions. Further, these tests would also add up as your notes.
