UPSC CSE 2021

I had a great experience with APTI PLUS. I had joined their Mains Test Series. The feedback given in the test series helped me immensely to find tune to my answers. I was a reader of the IAS Gazette magazine too and found it a great supplement for organised current affairs preparation. I also had attended the offline mock interview of APTI PLUS. The experience was great. The organisers were very cordial but more importantly, the interview feedback session was extremely detailed. Sujit Sahoo Sir of APTI PLUS was very cordial and made sure my overall experience was very positive. All in all, I would strongly recommend APTI PLUS for serious aspirants.
